Dear dr Eisenberg,

On March 2 1992 you have send information about the Council to Professor Snow of our department. Since we are planning to submit a proposal by Nov 30, I would like to ask you, first, to send me the latest format of the application, and second, to send me the annual CTR report of 1991. Thank you for your attention.

Sincerely yours,

Boudewijn J.M. Braakhuis
